

Talking Points

H.R.539/ S.106

IMPORTANCE

- *Medicare limits services to patients who choose chiropractic physicians, and patients are forced to choose other providers.*
- *Annual charges for opioid prescriptions were 78% lower for chiropractic patients.*
- *Patients could face more costly or higher-risk procedures that often are unnecessary.*

KEY POINTS

- *Bipartisan legislation with equal support from both parties*
- *Does not add any new services to Medicare.*
- *Provides patient access to all Medicare-covered benefits under a chiropractic physician's Illinois license.*
- *Requires chiropractic physicians to complete a documentation course.*
